

# FANHEAD FUNDRAISERS

## DITCH THE BAKESALES

Fanhead Fundraisers are a proven win-win for school fundraising, boosters, sports events and more. As a division of Voyageprint, Fanhead fundraising was started in 2020 during the world wide pandemic. Parents from across the country rushed to ideas to showcase their child's achievements in a time where the stage was off limits.

Voyageprint created the Gradhead for yards and fanheads for sports teams. In 2021, after the country began to reopen. Sports teams had depleted a great deal of their resources. The obvious bakesale wasn't going to cut it. Car washes, were a wash. Selling candy bars were a novelty of the past. In comes Fanheads. Who doesn't want a glorious picture of their child?
